

Invitation to bid for a Qualification Framework in higher education in Romania

Introduction

1. The attached invitation to tender for a qualification framework in higher education in Romania has been received by QAA Scotland from the Ministry of Public Finance, Romania.

Recommendation

2. QAA Scotland is suggesting that if a bid for this work is to be submitted this might be best achieved on the basis of a consortium rather than by QAA Scotland alone.
3. SACCA is invited to consider how it might best wish to respond.
